

URLAR VINEYARD

RL System: Ultratherm MSR
Project Size: 1,750m²
Location: Wairarapa
Project Date: 2024

Architect: DLA Architects
Contractor: Rigg-Zschokke
Installer: Tararua Roofing

PROJECT DESCRIPTION

A Scottish Gaelic word that means the earth; Urlar Winery is a family owned vineyard proudly specialising in handcrafted wines which are managed through traditional sustainable practices.

With growth, a new extension was designed for the Winery. Together with Silvester Clark, DLA Architects created a complex & interesting roof formation that is perfectly suited to Ultratherm MSR. The Ultratherm MSR gives consistent thermal performance across all the hips and valleys.

SPECIFIED ROOFLOGIC SYSTEM

RoofLogic's Ultratherm MSR system:-

- RL LinerDeck
- RL Vapour Control Layer
- RL PIR Board
- Underlay
- RL TopDeck T
